Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	10.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	BUSYTOWN MYSTERIES - I
Origination	Network
Days/Times Program Regularly Scheduled	Sat. 9a
Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	3 years to 7 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the beloved works of best-selling children's author Richard Scarry, Busytown Mysteries brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow classic characters such as Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts, and ultimately reach conclusions. Each episode also develops vocabulary through words and concepts that are part of the episode's overall theme. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
Does the Licensee identify the program by displaying throughout the program the symbol E /I?	Yes

Program Title	DOODLEBOPS ROCKIN' ROAD SHOW
Origination	Network
Days/Times Program Regularly Scheduled	Sat. 10a
Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	3 years to 8 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each episode of the show features a real child, who writes for help or advice with a problem to the Doodles, three animated young members of a band. The child then enters the animated world of the Doodlenet, and sets out on an adventure with the band to find a resolution to the problem, with important life lessons imparted in the process. Each episode reinforces the lesson through a musical interlude that encapsulates the educational message. Specific educational objectives of the program include encouraging viewers to develop positive personal qualities such as honesty and initiative, and providing viewers with a basic understanding and appreciation of music. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Age of Target Child Audience	8 years to 12 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	TROLLZ is an animated series about five teenage girls growing up in a magic and colorful world, who live by the credo B.F.F.L. - Best Friends for Life. The magic in their lives is interwoven into real-world type experiences through which they learn to engage in problem solving, creative thinking, and cooperative strategy skills. The series also provides an opportunity for the five girls to learn how to cope with some of the social and emotional issues of self-esteem relating to physical features and other personal attributes, emerging friendships and peer-group relationships, and other experiences found in Trollzopolis. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	HORSELAND is an animated series about five girls and two boys who live in spectacular countryside that houses a farm called Horseland. Each of these main characters has a special horse whose personality is similar to its owner's. Horseland and its unique approach of integrating the personality of the main characters and animals serve to reinforce prosocial themes. Horseland is also a "coming of age" series in which viewers experience and learn from the social interactions, hopes, dreams, and even fears of this group of culturally diverse adolescents. From this background, the experiences of sharing, caring, compromise, friendship, respect, and competition emerge to provide the young viewers with social and emotional guidelines for better understanding many of the life-lessons they need to learn as they grow and develop. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Exploration with Jarod Miller is a half-hour live action television program designed to meet the educational and informational needs of children from 13-16 years of age. Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes-there's always something amazing happening. Filled with energy, youth and humor, Jarod is a welcome visitor in living rooms around America on a weekly basis. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro social values within an environmentally responsible universe. Each episode will display the recommended rating TV-G E/I from beginning to end.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This series targets the 13-16 year old age group and provides a good impetus for teens being committed to their music education, giving them the ability to get scholarships, and a good positive medium for reaching their career goals. It makes teens aware of past and present music history. The hosts interview up and coming musical artists about their inspirations, emphasizing their education and showing teens how they can make their own voices heard. Attributes and advice, emphasized by the hosts and their guests, instill a grounded balance of priorities, commitment, and perseverance teens can apply to their lives.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Sports Stars of Tomorrow displays the hard work and dedication that it takes to be a true sports star. It chronicles the trials and tribulations of the young athletes as they strive to become a top level performer in the sports arena. The program helps youngsters realize that their full potential in both life and the playing field are attainable with lots of hard work and determination. It reinforces the importance of key values like dedication, discipline, commitment and community involvement. The program also provides in depth human interest stories that reveal the important challenges and lessons that mold our young athletes. Not everyone is cut out to be a superstar. We recognize those athletes that have learned life lessons along the way while battling varying obstacles. These stories inspire and teach our youth that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout one's life. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Whaddyado is an educational series designed to educate, inform, inspire and entertain children about the world around them. Each episode is an educational life lesson, based in reality, intended to prepare young people for potential situations that could easily crop us at any time, anywhere. Using a combination of actual footage, re-enactments, and demonstrations, the series provides a compelling look at perilous situations that have occurred in real life. Then using interviews with the participants and instructions from experts we learn what the proper reaction should be when faced with similar life threatening circumstances. Also in an effort to help young people make the right decision at the right moment there will be a moral dilemma segment featured in some of the episodes. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Wild America's key educational objective is to familiarize children with the animals of the North American content, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. Each episode is specific to a particular animal. Topics range from basic food gather, mating, natural enemies, relationships to other animals, and the interaction of the specific ecology on the survival of the species. Children viewing the program will achieve a greater understanding of nature and specific animal species because of the up close and detailed photography of the series. Through this understanding, it is hoped children will better relate to the natural environment as it exist in North America and learn to protect its natural species. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core programming as specified in the Commission's rules.

Program Title	BUSYTOWN MYSTERIES - I
Origination	Network
Days/Times Program Regularly Scheduled	Sat. 9:00a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	3 years to 7 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the beloved works of best-selling children's author Richard Scarry, Busytown Mysteries brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow classic characters such as Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts, and ultimately reach conclusions. Each episode also develops vocabulary through words and concepts that are part of the episode's overall theme. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Program Title	HORSELAND - I
Origination	Network
Days/Times Program Regularly Scheduled	Sat. 11:00a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	9 years to 11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	HORSELAND is an animated series about five girls and two boys who live in spectacular countryside that houses a farm called Horseland. Each of these main characters has a special horse whose personality is similar to its owner's. Horseland and its unique approach of integrating the personality of the main characters and animals serve to reinforce prosocial themes. Horseland is also a "coming of age" series in which viewers experience and learn from the social interactions, hopes, dreams, and even fears of this group of culturally diverse adolescents. From this background, the experiences of sharing, caring, compromise, friendship, respect, and competition emerge to provide the young viewers with social and emotional guidelines for better understanding many of the life-lessons they need to learn as they grow and develop. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.
