Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title		ANIMAL ATLAS CLASSICS
Origination		Syndicated
Days/Times Program Regularly Scheduled		FRIDAYS 8AM (1/7/2011-3/25/2011)
Total times aired at regularly scheduled time		12
Total times aired		
Number of Preemptions		0
Number of Preemptions for other than Breaking News		

Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas Classics is elevated over traditional instructional television programming by an engaging tone of narration, and entertaining selection of music and the direction of the episodes-which point directly at life elements of the audience. Utilizing an interactive segment with multiple-choice questions about the animals covered, these programs appeal to the curiosity of viewers while speaking to them at just the right level of engagement. The general category of learning is life science with an underlying science content addressing such standards as principles of animal classification, biology accounting for the diversity of species and the anatomy and physiology of animals and plants illustrate the complemetary nature of structure and function.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	DUANE SARTOR
Address	8803 WOODWAY DR.
City	WACO
State	TX
Zip	76712
Telephone Number	(254) 776-3844
Email Address	dsartor@kwkt.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The Station did not broadcast an analog signal during this quarter. The licensee's response to Question 7(b) therefore assumes that the Station's current main program stream serves as the equivalent to the Station's former analog channel. After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies that the station fully complied with the FCC's commercial limits in children's programs, as specified at 47 C.F.R. Section 73.670, with respect to all programs specifically designed for children ages twelve (12) and under. In addition to the educational or informational programs listed in this report, the station broadcast the following programs specifically designed for children ages twelve (12) and under that were not "educational or informational": none.
