Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital. In this weekly half-hour series developed and produced to educate and inform viewers ages 13-16, our hosts scan the country finding those who "pay it forward" to promote health and wellness. The remarkable people that viewers meet are referred to as "agents of change", special individuals who are making big changes in people's lives, one small step at a time. "Everyday Health" is a series that uniquely raises awareness to help fight obesity, raise self-esteem, establish physical fitness habits and prevent negative health choices. An inspirational program about people who confront challenges by taking control, "Everyday Health", through captivating storytelling, reports on amazing teens and other selfless Americans who are "paying it forward", with good will and new ideas that will inspire other teens to take action. The March 10, 2012 episode was pre-empted for ESPN on ABC live coverage of the S.E. Conference Basketball Semifinals.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital. Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eyes to how everyday life can inspire culinary creations in "Food the Thought". Each weekly half-hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective, gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life. The March 10, 2012 episode was pre-empted for ESPN on ABC live coverage of the S.E. Conference Basketball Seimifinals. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Mail Digital. Culture Click is a weekly half-hour series that explores the genesis of - and reasons behind - cultural events that permeate our everyday lives. Developed and produced for viewers aged 13-16, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop-culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's worth of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when their experience "Culture Click". See 47 C. F.R. Section 73.671, NOTES 2 and 3.	<p>MARINERS FANFEST - KOMO 4 News Anchors were on hand to meet and take pictures with baseball fans of all ages at the pre-pre-season event of major league baseball, Mariners FanFest. Video highlights from the popular KOMO 4 News feature "Eric's Little Heroes" brought smiles and smiles to Mariner fans at the KOMO 4 booth the last weekend of January. A special episode of "Eric's Little Heroes" aired the following week on KOMO 4 News featuring the antics of kids on the field trying their best to pitch, bat, catch and run the bases at Safeco Field. In its own subtle way, the "Eric's Little Heroes" series encouraged kids to play sports as a healthy alternative to sitting around all day - and to be a good sport. OSCAR NIGHT AMERICA - KOMO 4 sponsored "Oscar Night America" benefitting the Starlight/Starbright Foundation again this year. The February 27th Academy Awards party brought in \$150,000, which was badly needed to allow the agency to provide toys, computers and computer games to children who are hospitalized with serious medical conditions. STEVE POOL SCHOOL SKYPE CHATS - ONGOING - The "Steve Pool School Skype Chats" feature continues for the second year. Lead weathercaster Steve Pool visits classrooms virtually to discuss weather and good citizenship, and encourages kids to stay in school. PAUL DEANNO SCHOOLCASTS - The other popular weather feature that continues to generate a demand is the daily morning "SchoolCast" - a customized weather forecast tailored to a specific school. Also highlighted is the "good news" that is occurring in those schools. Meteorologist Paul Deanno visits some of the nominated schools throughout the year. Parents, teachers, or students can nominate their favorite elementary school. BEAT THE BRIDGE KICKOFF - Sister stations KOMO 4 and KOMO Newsradio were an integral part of the kickoff ceremony for the Juvenile Diabetes Research Foundation, as Bill Yeend emceed the event, a prelude to their walk/run in May. JDRF provides badly needed research dollars in an effort to find a cure to juvenile diabetes. OPERATION COOKIE DROP - Sister stations KOMO TV and KOMO Newsradio co-sponsored this year's Girl Scouts Operation Cookie Drop to benefit our troops. The campaign was supplemented by the addition of a Girl Scout "This Cookie" PSA scheduled on KOMO-TV to coincide with the sale.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital. Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eyes to how everyday life can inspire culinary creations in "Food the Thought". Each weekly half-hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective, gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.
