---

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Edgemont is designed to entertain its core teen audience and also to inform and educate its viewers about issues that arise in school and at home. The story lines focus on social and emotional challenges faced by all secondary school students from forming and maintaining family, friendship and romantic relationships - to ethical and moral choices. The objective of the series is to demonstrate models of behavior for teen viewers, allowing them to consider choices that they themselves may face, to witness the potential outcomes of these choices and gain positive tools that they can use to resolve issues and conflicts in a constructive way
