Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Curiosity Quest is an upbeat, family, educational program that explores what viewers are curious about. In each show, host Joel Greene, ventures on a quest to answer viewer's letters of curiosity. Each quest takes the audience on location for an unscripted, hands-on, educational exploration. In addition, throughout each program, Joel will hit the streets to get real and often comical answers to questions pertaining to each episode. Joel's enthusiastic personality often lands him in hilarious situations in pursuit of the answer. This program is specifically designed to advance the educational and informational needs of children. It's purpose is to provide education and information to children and therefore meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	M@dAbout is a weekly, half-hour sketch-comedy/variety show aimed at educating and entertaining kids. A true E/I series, episodes use a creative mixture of humor, improv, animation, and viewer-generated video. Think Saturday Night Live meets The Electric Company. M@dAbout conveys important messages about Life Skills such as personal finance, health & nutrition, fitness, conservation and decision-making in a fun and entertaining way. Each episode relies on a small company of skilled comedic actors to explore significant topics within a subject area. It incorporates comic monologues, sketch and improv comedy, eye-catching animation, music videos, humorous "man on the street" interviews, and viewer-created questions about life's issues. This program is specifically designed to advance the educational and informational needs of children. It's purpose is to provide education and information to children and therefore meets the definition of Core Programming as specified in the Commission's rules.
