Digital Core Programming

| Question | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream | 3.0 |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream | 336.0 |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671: | 6.0 |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673? | Yes |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | KIDY 19.3 - Aqua Kids provides a unique vehicle for young people to learn about the diversity of marine animals around the world, emphasizing the importance of preserving fragile aquatic habitats and encouraging children to take an active role in protecting the future of their community and the world. The program provides a window into the management and preservation of unique habitats and species through the eyes of kids and their hands-on collaboration with science researchers and educators. The message delivered by Aqua Kids are given by a creative and resourceful host, Molly McKinney, whose scientific background is evident in the show. The other young hosts, whose ages range from pre-teen to late teer are equally entertaining and informative. The young viewers identify with these young hosts and imaging themselves in the role of the scientist and as someone who could have a positive impact on the environment. The format of young student scientists presenting information on location in a variety of aquatic settings is both entertaining and informative. |

| Age of Target Child Audience | 13 years to 16 years |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | KIDY 19.3 - Ariel & Zoey & Eli, Too (AZE2), a musical variety show that is driven by three siblings, empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids, introducing guests who perform different genres of music, and presenting musical performances by the cast members themselves. These cast musical performances show children they can write their own music and the importance of teamwork. Music on the show is produced by Emmy Award winner David Barrett. He and Brian Brill (another Emmy winner) ensure that the music is tailored for the young audience. All songs offer a positive message about life. Every episode begins with the song "Sweet Company which sends the positive message of friendship and ends with the singing of End of Another Day which encourages the viewer to stay optimistic about tomorrow. |

| Age of Target Child Audience | 13 years to 16 years |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | KIDY 19.3 - The motto of the series Dog and Cat Training with Joel Silverman says it all - Bond with your heart, train with your brain. This series demonstrates learning a new skill by listening, watching, and following through geared towards ages 13-16 by using animals as a teaching tool, some skills demonstrate can be used in dealing with common life issues as well. Issues that arise through training an animal are to encourage patience and discipline. Responsibility of caring for an animal instills compassion and concern is also a listening exercise to comprehend information. Ultimately, the child will gain an education through the art of training an animal which in turn can lead to more confidence, a sense of accomplishment and we being. The series leads them to use the new skill as an opener to form new relationships and use their communication ability |

Describe the educational and informational objective of the program and how it meets the definition of Core
Programming.

KIDY 19.3 - Aqua Kids provides a unique vehicle for young people to learn about the diversity of marine animals around the world, emphasizing the importance of preserving fragile aquatic habitats and encouraging children to take an active role in protecting the future of their community and the world. The program provides a window into the management and preservation of unique habitats and species through the eyes of kids and their hands-on collaboration with science researchers and educators. The messages delivered by Aqua Kids are given by a creative and resourceful host, Molly McKinney, whose scientific background is evident in the show. The other young hosts, whose ages range from pre-teen to late teens, are equally entertaining and informative. The young viewers identify with these young hosts and imagine themselves in the role of the scientist and as someone who could have a positive impact on the environment. The format of young student scientists presenting information on location in a variety of aquatic settings is both entertaining and informative.

Programming.

KIDY 19.3 - Ariel & Zoey & Eli, Too (AZE2), a musical variety show that is driven by three siblings, empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids, introducing guests who perform different genres of music, and presenting musical performances by the cast members themselves. These cast musical performances show children they can write their own music and the importance of teamwork. Music on the show is produced by Emmy Award winner David Barrett. He and Brian Brill (another Emmy winner) ensure that the music is tailored for the young audience. All songs offer a positive message about life. Every episode begins with the song "Sweet Company which sends the positive message of friendship and ends with the singing of End of Another Day which encourages the viewer to stay optimistic about tomorrow.

KIDY 19.3 - Steal the Show provides CORE programming in the areas music, music composition, the music recording process and musical instruments. Ariel, Zoey and Eli Engelbert of the El program Ariel & Zoey & Eli, Too work to write and record an album with Grammy Winner Jim Peterik. All aspect of the process are covered - 1) Creating the melody, 2) writing the lyric, 3) creating harmonies, 4) developing instrumentals and 5) recording the song in the studio. With schools across the country cutting funding to music related programs, Steal the Show fills an important void. Students will be empowered with the knowledge and skills they will broaden and hone as they follow Ariel, Zoey and Eli on their journey with one of the most prominent songwriters of the past 20 years.

| Describe the educational and informational objective of the program and how it meets the definition of Core | KIDY 19.3 - The motto of the series Dog and Cat Training with Joel Silverman says it all - Bond with your heart, train with your brain. This series demonstrates learning a new skill by listening, watching, and following through geared towards ages 13-16 by using animals as a teaching tool, some skills demonstrated can be used in dealing with common life issues as well. Issues that arise through training an animal are to encourage patience and discipline. Responsibility of caring for an animal instills compassion and concern. It is also a listening exercise to comprehend information. Ultimately, the child will gain an education through the art of training an animal which in turn can lead to more confidence, a sense of accomplishment and well-being. The series leads them to use the new skill as an opener to form new relationships and use their communication ability |

Programming.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

KIDY 19.3 - Zoo Diaries focuses on the zoo as a modern-day Ark, where animals are increasingly protected from the threat of extinction. Each episode goes behind the scenes, providing an up close and personal look at both the animals and the people who care for them. Featuring real people in real situations, it follows the day-to-day activities, passions and triumphs of one of the most unique professions on earth, presenting positive role models and pro-social values. Zoo Diaries takes teenage viewers behind the scenes at North American Zoo's, large and small. These include the San Diego, Toronto, Wichita and Vancouver Zoos. They get up close and personal with wild & endangered animals, and the fascinating lives of the humans who care for them - the zookeepers, veterinarians, attendants, animal psychologists & preservationists
