Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Sports Stars of Tomorrow displays the hard work and dedication that it takes to be a success in sports and in life. It chronicles the trials and tribulations of the young athletes as they strive to become the "top level" athletes. The program helps youngsters realize that they can achieve their full potential in both life and the playing field thru hard work and determination. It reinforces the importance of key values like personal dedication, discipline and commitment, learning from their teacher / coaches and being a part of a team and a community. The program also provides in-depth, human-interest stories that reveal the important challenges and lessons that mold our young athletes. Not everyone is cut out to be a superstar. In Sports Stars of Tomorrow, we recognize those athletes that have learned "life lessons" along the way, while battling limitations and obstacles. These stories inspire and teach our youth that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout one's life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>This weekly network program produced by MLB productions with guidance and advice from the National Association for Sport and Physical Education educates young viewers on how the game of baseball is played and provides instructions regarding the techniques that successful players use. The show will also glean insight into players' preferences in areas outside of baseball with topics like "What Career Interests You After You Retire from Baseball?," or "What Is Your Favorite City To Play In?" or "What Player From History Would You Most Like To Watch/Play For/Play Against?" In addition, MLB Player Poll will provide examples of healthy debate, expressing an opinion using supporting evidence and analyzing statistics to confirm or refute a previous held belief. The results of the poll question that will serve as the heart of each episode will be represented graphically using traditional charts and graphs in a manner designed to help teenagers process similar information they will encounter in newspapers, magazines and textbooks. Finally, the emphasis on physical education in each episode of MLB Player Poll will inspire young viewers to get off the couch, go outside and exercise.</p>
