Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	This station enthusiastically and regularly airs (often run of schedule) a number of 30 and 15 second Public Service Announcements (PSAs) specifically designed for children 16 years or younger. Topics include, among others, drug use prevention, non-smoking issues, fire and general safety for kids, the importance of eating healthy and exercising and the ending of gang violence. After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies that the station fully complied with the FCC's commercial limits in children's programs, as specified at 47 C.F.R. Section 73.670, with respect to all programs specifically designed for children ages twelve and under. On or around June 12, 2009, the station transitioned to digital television. The station's responses to Questions 4, 7, and 10 reflect this termination of analog service.
