Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

"Young Generation" programming series engages children in learning the Vietnamese language and culture through songs and short plays, similar to Sesame Street. The upbeat music helps children understand and pronounce Vietnamese words with a teacher who guides them through each program's lesson, using verbal rhymes and rhythm. At each Vietnamese holiday, children also learn the history and cultural background of the special cultural occasion through holiday songs, colorful costumes and dances.
