This series is designed to encourage young viewers to accept and value diversity. Each week the team of young Stargate trainees enter a new world. As they encounter cultures, races, and life forms foreign to any they have ever dreamed of, they also face life-threatening problems that require each member of the team to contribute to the well-being of all. As the young cadets learn to interact with and value "people" from different backgrounds and cultures, so too will the viewing audience. The trainees model many of the attitudes and behaviors that today's young people must learn in order to function well in a highly diverse society.
