Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Teen Kids News is a weekly program that is informative, educational and entertaining! It is a fast paced program composed of short segments that "fit" the visual learning style of today's students and is composed of many segments that vary from program to program and year to year. The programs deliver content as an entertaining, humorous and fascinating look at current events and other "news stories" of interest to students aged 13-16. Teen Kids News highlights positive stories about kids doing amazing things and helping to make the world a better place. In addition, the reporters on the show (who are, of course, all kids!) report on everything that is fun or interesting or important about our world. These stories range from kids who fly planes to how to deal with bullying to the best way to throw a baseball for power, to tips on getting into college to making friends to behind the scenes with entertainers.
