Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Hosted by Sam Champion, Sea Rescue features the rescue, rehabilitation and - in many instances - release of wildlife back into the ocean. In demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals, Sea Rescue will leave its audience inspired by real-life stories and with a fuller understanding of the rich array of sea life with which we share our planet. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology!
