Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Eco Company" explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team finds out about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally each week the show will provide practical tips that teens and people of all ages can use in their daily lives. The program is regularly scheduled and airs between the hours of 7:00 am and 10:00 pm. The program is 30 minutes in length and is identified as an educational and informational show, targeted to teens (13 to 16 year olds), at the beginning and throughout each broadcast and in listings provided to publishers of program guides.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	KOZL-TV aired 124 kid-targeted PSAs between 7a and 10p this quarter. The PSAs discovered topics such as baby teeth, Cub Scouts, writing, bully hotline, drug-free tweens, lightning safety, teen stress, wildfires, and more. NOTE: Station checked "yes" on question 7C, because the form forces an answer of "yes" or "no." 7C should be just for stations that answered "yes" on 7B, and the answer for 7B for KOZL-TV is "no." KOZL-TV does not broadcast an analog signal. Note: This report includes a show ("This Week in Baseball") that is network, even though the station designation at the top of the form is Independent. KOZL-TV became an independent station on 9/1/11, but prior to that, was a FOX affiliate (under the call letters KSFX-TV).
