Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Whaddyado is a half-hour weekly educational series designed to educate, inform, inspire and entertain children 16 & under (specific target audience is 13-16) about the world around them. Each episode is an educational life-lesson, based in reality, intended to prepare young people for potential situations that could easily crop up at any time, anywhere. Using a combination of actual dramatic footage, re-enactments, and demonstrations, "WHADDYADO" provides a compelling look at perilous situations that have occurred in real life. Then, using interviews with the participants, and instructions from experts, we learn what the proper reaction should be when faced with similar life-threatening circumstances. Also, in an effort to help young people make right decisions, we feature a Moral Dilemma segment each week.
