Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	THE MAGIC SCHOOL BUS is based on a series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip to answer questions or learn many new things about the place the class visits. Each episode is a fact-filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges them to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 6 to 10 and in addition to all the factual content, the children also have a social-emotional problem to solve that is embedded into the story line.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	WILLAS WILD LIFE, based on the book An Octopus Followed Me Home, by Dan Yaccarino, is an animated series centered on a six-year-old girl and her menagerie of animals. Willa lives at home with her father and pets - an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence, and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the "cool" group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	PEARLIE is an animated comedy series based on the children's book series, Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 6 to 10-year-old range, episodes focus on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order, she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin, Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, Pearlie approaches new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Origination	Network
Days/Times Program Regularly Scheduled	Saturday 9:30am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SHELLDON is an animated series that takes place in Shell Land, a mythical undersea world populated by characters from a wide array of water-dwelling species. The main character, Shelldon, is an orphaned yoka shell mollusk adopted by the Clam family and living with them in the family-owned Charming Clam Inn. Dr. Shell, an elder and venerated inventor, and Connie, a cowrie shell classmate of Shelldon's also live at the inn. Shelldon and his buddies, Herman (a hermit crab) and Connie (a cowrie shell), always work together and solve problems that they face in school or in the community. A recurring problem is to staunch the plans of the local millionaire, Cecil Cracken, whose greed puts making money over protecting the environment. Dr. Shell is typically the children's key provider of knowledge and other resources. In each episode, the children learn a significant social-emotional lesson and also share information relating to their ocean habitat and environmental protection.

THE MAGIC SCHOOL BUS is a show that features the most adventuresome teacher on the planet, Ms. Frizzle, and her group of students who dutifully follow her approach to education-by taking magical field trips to learn about anything that interests her or them. All the students are curious, but with each one, there is often a personal problem that needs solving and the field trip has a way of dovetailing with the personal challenge to get everything all worked out. The class has been on 52 field trips, traveling in a magic bus that can transform its shape and power source, so it can travel through any environment, from the bottom of the ocean to outermost space. Ms. Frizzle can handle it all, from driving the bus, navigating unfamiliar terrain, to guiding the children's learning through inquiry. She is undeterred and rarely discouraged and expects no less from her students. Ms. Frizzle is amazingly understanding and permissive in her approach and the children are ambitiously curious about the world as a result. It's not just the bus that's magic.
