This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. Additional systems are purchased by the schools or donated by area businesses. KELO-LAND TV also has a weather net van. The Live Doppler Weather Net Van, Dorothy, is a weather station on wheels. The Live Doppler HD Weather Team goes to schools and organizations all over KELO-LAND to help students and viewers understand weather.
