Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Zachary Kane
Address	5020 West Amelia Earhart Drive
City	Salt Lake City
State	UT
Zip	84116
Telephone Number	801-536-1304
Email Address	zachary.kane@fox13now.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The station terminated analog operations on June 12, 2009. Therefore, Question 4 describes the programming on the station's primary digital stream. Licensee's response to Question 7 also treats the station's main digital programming stream as a replacement for the former analog channel. After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies that the station fully complied with the FCC's commercial limits in children's programs, as specified at 47 C.F.R. Section 73.670, with respect to all programs specifically designed for children ages twelve and under. In addition to the educational or informational programs listed in this report, the station broadcast the following programs specifically designed for children ages twelve and under that were not "educational or informational" programming: "Totally Tooned In" on 13.2 (Antenna TV).

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Young America Outdoors" introduces young viewers to a wide variety of outdoor activities, explaining the benefits of keeping fit while exploring wonders of nature. Episode topics include fishing, hang-gliding, horseback riding, kayaking, hiking, camping, water skiing, snow skiing and backpacking. The series also provides important information on wilderness survival skills and emphasizes safety outdoors and well as environmental awareness and responsible use of our natural resources. The program shows real life in-the-field experiences of professional and ordinary people experiencing the outdoors, as well as exhibiting good social responsibility and promoting strong personal and community values. All scheduled airings of this program for fourth quarter 2011 meet the FCC's definition for a "regularly scheduled" program.
