Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	

Digital Core
Programs(12)

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team find out about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally each week the show will provide practical tips that teens, and people of all ages can use in their daily lives.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each episode of WHADDYADO is an educational life-lesson, based in reality, intended to prepare young people for potential situations that could easily crop up at any time, anywhere. Using a combination of actual dramatic footage, re-enactments, and demonstrations, the program provides a compelling look at perilous situations that have occurred in real life. Then, using interviews with the participants, and instructions from experts, we learn what the proper reaction should be when faced with similar, life-threatening circumstances. Also, in an effort to help young people make correct decisions, some episodes feature a Moral Dilemma segment.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SST takes you around the country showing you geographical locations of the United States as we take a look at the top athletes in the country. SST takes you into their homes and schools to see how they handle schoolwork and sports as a student/athlete. The show details their study habits from athletes who struggle at school to athletes taking college credit courses in high school. SST uncovers the next generation of phenoms while also uncovering emotional, heart felt stories about true superstars who overcome tremendous adversities in life. For instance the Para Olympic athlete who went to court to win her right just to compete at an early age in life. Each weekly, 30 minute episode produces captivating stories about the student/athlete and their journey to greatness on the field, in the classroom, and life.

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Veronica Coronado
Address	301 Artesian
City	Corpus Christi
State	TX
Zip	78401
Telephone Number	361-868-6158
Email Address	vcoronado@kristv.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C. F.R. Section 73.671, NOTES 2 and 3.	After the review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies as follows: (i) the only programs specifically designed for children ages twelve and under that the station broadcast this quarter are disclosed in this report and (ii) the licensee fully complied with the FCC's commercial limits in children's programs, as specified at 47 C.F.R. Section 73.670, with respect to these programs.
