Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and in many instances, release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there is a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought. Each weekly-half hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time, sometimes from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she is always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the inspired dish while promoting a healthy attitude towards food and life.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	With its travelogue format, compelling backstories, and upbeat young narrator, Travel Thru History entices young people to learn more about American history. The various episodes focus on American cities and vacation destinations that have more than natural beauty and theme parks to offer. The series uses beautiful photography and brief well-edited interviews with curators and other on-site authorities, as well as graphics, vintage photos, and film footage to set a pace that will keep a busy young mind engaged. The episodes appeal both to wanderlust and to curiosity about the past and its implications for the future. History is presented as a story of people one would like to have met, not a dry recitation of facts and figures, thus moving the thoughtful student out of the classroom and into the world.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Edgemont is a television program designed for middle and high school students aged 13-16 years-old and is rated TV-PG. The series depicts the everyday lives of teenagers in the fictitious suburban town of Edgemont. Each 30-minute episode generally focuses on the children's activities at AC McKinley Secondary School. Edgemont is designed to entertain its core teen audience and also to inform and educate its viewers about issues that arise in school and at home. The storylines focus on social and emotional challenges faced by all secondary school students, from forming and maintaining family, friendship and romantic relationships, to ethical and moral choices. The objective of the series is to demonstrate models of behavior for teen viewers, allowing them to consider choices that they themselves may face, to witness the potential outcomes of these choices and gain positive tools that they can use to resolve issues and conflicts in a constructive way.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Deborah Drummond Shollenberger
Address	613 Woodis Avenue
City	Norfolk
State	VA
Zip	23510
Telephone Number	757-628-6232
Email Address	dshollenberger@wvec.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Note 1: MeTV signed on the air on January 24, 2013. Therefore only 10 weeks of children's programming was reported. Note 2: MeTV reports an error caused by a bad version of Safari provided by the syndicator aired on Saturday, March 23, 2013 from 10:30AM-11:00AM did not contain an E/I logo superimposition throughout the entire program. This program was identified by the Network as an E/I program to the suppliers of program guides, and it was also introduced by an announcement stating that the following program is an E/I program. In addition, the E/I logo did appear as a superimposition over the program for approximately the first five seconds at the start of each program segment. Due to an error, the logo did not continue to be superimposed thereafter. MeTV Network has informed us that this was an inadvertent error and actions have been taken to help ensure the error does not recur. In addition, this same program episode was aired in a rebroadcast on Saturday, March 30, 2013 from 11:00AM-11:30AM in its established second home. This rebroadcast was publicized by announcements on MeTV Network, and the E/I logo was superimposed over the program for the entire program duration in this rebroadcast. Note 3: WVEC's PSA report, station activities, station events and station tours designed for children are described in detail in our Public Inspection File. Note 4: WVEC (13.1) childrens programming that aired on January 26, 2013 from 9AM-12PM contained a continuous weather/closing information crawl.
