Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Turbo Dogs is an animated show based on the books (Racer Dogs) by Bob Kolar. The series follows a group of six dogs from Racerville who love to compete with one another in races. In each story, one or more of the dogs encounter and solve problems that teach them social emotional lessons on good sportsmanship, teamwork, cooperation, playing fair, and friendship. The show also imparts information on the mechanics of racing like directionality and the concepts of distance and time. The social-emotional messages are embedded through the stories using action and humor. The tags at the end of each episode reiterate and establish the educational message learned by the dogs.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Is an animated series about Shelldon, a school aged yoka shell mollusk who lives with the adoptive family, the Clams, in an undersea community called Shell Land, which is populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowry shell mollusk) and Herman (a hermit crab) face a specific challenge in every episode of the show. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In all cases they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct socio-emotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and environmental conservation.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Magic School Bus is based on series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip to answer questions or learn many new things about the place the class visits. Each episode is a fact filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges her students to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 4 to 9 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the story line.

Cubix: Robots for Everyone takes place in the year 2040 in Bubble Town where robots outnumber humans. The series centers around a 13 year old boy named Connor, his robot Cubix, and the members of a special club known as Botties. Each member of the Botties has their own robot with a unique characteristic. The robots are friendly, efficient and function in imaginative ways to help make Bubble Town a great place to live. But it's a good vs. evil world and Connor and the Botties learn lessons of right and wrong, teamwork, courage and problem solving during their adventures to thwart Dr. K.'s evil schemes to take control of Bubble Town's robots. Each member of the Botties faces life scenarios that commonly affect children today - feeling sad and alone, insecure and vulnerable, fear of failure, and overcoming uncertainties and phobias. Throughout the entire series, the Botties learn important lessons about themselves including self-confidence, courage, loyalty, patience, humility and pride but they also learn the importance of perseverance, teamwork and embracing their differences to overcome obstacles.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	It is during the adolescent years that career exploration, planning, education, and decision-making begins. There is no question that a career in one of the multimedia industries is among the most popular career choices of adolescents. Although many feel their calling is for a more obvious "on-camera" career in acting, there are also a number of "behind the screen" pursuits that make for fulfilling career choices. Made in Hollywood: Teen Edition (MIH:TE) was created by Connection III Entertainment Corp. to provide career information and advice from top Hollywood professionals to 13- to 16-year-old viewers so they can "explore and learn about the technical, artistic, creative, business, and administrative careers that are a part of the motion picture, television, music video, and home entertainment industries

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlle the Park Fairy by Wendy Harmer. Pearlle is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlle focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlle was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlle's nemesis and cousin Saphira, often takes advantage of Pearlle's good nature which requires that Pearlle must also frequently outwit the park bully. In each episode, we see Pearlle approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.
