Digital Core	Question			Response
Programming	State the average numb stream	State the average number of hours of Core Programming per week broadcast by the station on its main program stream		
	-	State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream		
	-	per of hours per week of Core Programming broadcast by See 47 C.F.R. Section 73.671:	the station on other than its	3.0

Does the Licensee provide information identifying each Core Program aired on its station, including an indication Yes of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?

Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional Yes programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	ANIMAL SCIENCE is a half-hour weekly E/I animal series with a uniquely scientific approach. This series is specifically produced for children 16 and under (target audience is 13-16). While most animal shows look at the behavior of animals, we go one step further to look at the how and why an animal is able to excel in it's environment. Shot in high-definition, ANIMAL SCIENCE uses animation, graphics, and scientific analysis from animal experts to give viewers more understanding than ever before of thes amazing creatures. Our enthusiastic host's modern vocal style will be engaging to the target audience. This program will attract all age demographics.

Program

Whaddyado is a half-hour weekly educational series designed to educate, inform, inspire and entertain children 16 and under (specific target audience is 13-16) about the world around them. Each episode is an educational life-lesson, based in reality, intended to prepare young people for potential situations that could easily crop up at any time, anywhere. Using a combination of actual dramatic footage, re-enactments, and demonstrations, "Whaddyado" provides a compelling look at perilous situations that have occurred in real life. Then, using interviews with the participants, and instructions from experts, we learn what the proper reaction should be when faced with similar life-threatening circumstances. Also, in an effort to help young people make right decisions, some episodes will feature a "Moral Dilemma" segment.
