Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a musical variety show that is driven by three siblings, and empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids. As hosts, these children entertain and inform their audience through song, dance, music and dialogue. This show supports and encourages respect for others, having integrity, following directions, putting forth your best effort and taking responsibility; which is a wonderful message for American youth. This program is an upbeat, diverse and entertaining series that will inform young people on a variety of subjects, while keeping their interest. Aired on "digital 2". The station ceased broadcasting on this secondary channel on 8/31/12.

Age of Target Child Audience	2 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Gina D is a fun loving, positive role model who has the demeanor and appearance of a young teacher and is playful in her approach to her target audience. In addition to puppets and animated characters,Gina D is surrounded by a group of whimsical characters which include Simon, Miss Muffin the Cook, Mr. Pockets and Pierre. As the program takes on an interactive quality through questions and reactions from Gina to a multi-culturally diverse group of youngsters who are sometimes on and off camera, she attains and maintains the attention of young children to help further develop their self-image, social skills, math readiness, and reading readiness. Various themes throughout the program may include bike safety, not talking to strangers, and stopping at traffic lights. Through different scenarios and easily learned original songs, these lessons are imparted to the target audience.  Airs on "digital 3".
