Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience		6 years to 10 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Magic School Bus is based on a series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges her students to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 4 to 9 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the story line.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	BABAR is a young elephant who returns to the jungle where he builds the city of Celesteville and is crowned king of the elephants. A dedicated ruler and family-elephant, Babar experiences many challenges as he journeys through life, and learns to rise above them through strength and optimism. Each episode begins with a look into Babar's present life, primarily in his role as a father who teaches his children the value of people, things and relationships through his own experience from the jungle to the city. Each episode in the show carries with it a socio-emotional message that is established at the end of Babar's story.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	From the Creator of Oswald, Willa's Wild Life is an enchanting series about a little girl's unique home life that is sure to keep you in stitches and warm your heart. Willa's Wild Life follows the adventures of a Willa, an unforgettable little girl who, like a young Lucy in I Love Lucy, finds herself in comic predicaments that only seem to escalate as she fumbles through solutions. But thanks to her loving and patient father, and her entire extended family of personality rich zoo animals, Willa manages to overcome her obstacles, learn a little something, and have a great time along the way.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.
