Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company provides CORE programming in the area of the environment and preservation of the earth resources. Eco Company explores all aspects of being green and understanding how our actions impact the world. The E-Co team learns about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop new ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally the show provides weekly practical tips that teens, and people of all ages can use in their daily lives. Eco Company uses the technique of peer reporting. The diverse and dynamic cast of teens who make up Eco Company combine their natural curiosity with their enthusiasm to report the informational stories to teens and their families. Each episode employs Eco Company members or hosts who conduct interviews of peers and adults, and experience first hand the demonstration and explanation of the topic.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids provides CORE programming in the area of biology and specifically the ecosystem related to the ocean, its tributaries and estuaries. Children can learn about the resources of the oceans and how protection of oceans is necessary to present and future generations. Not only does the show teach biological topics, but it aims to enrich children lives by making them aware of future generations, the role they play now, and for generations into the future, with the biggest ecosystem on earth, the oceans. Each episode provides information related to a specific topic and gives an educational approach to understand the topic related to the entire ecosystem of the earth. Each episode is topic specific and focuses on a topic that can be informational in a 30 minute time span to stay in the bounds of a child's attention span. Aqua Kids uses the technique of near peer mentors i.e., children to teach other children. Each episode employs Aqua Kids who ask questions and experience first hand the experience of the topic. For example, children might feed Manatees to experience the graceful, gentle nature of the animal and learn about their biology or dig through piles of silt dredged from the ocean depths to look for shark teeth to understand how shark continually grow new teeth and loose old rows of teeth.

Program Title	MLB Player Poll
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays/3-3:30PM ET

Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	MLB Player Poll will serve the educational and informational needs of teenagers by providing insight into the opinions and perspectives of Major League Baseball players. Specifically, the 2012 season of MLB Player Poll will educate young viewers on how the game of baseball is played and provide instructions regarding the techniques that successful players use. The show will also glean insight into players' preferences in areas outside of baseball with topics like "What Career Interests You After You Retire from Baseball?," or "What Is Your Favorite City To Play In?" or "What Player From History Would You Most Like To Watch/Play For/Play Against?" In addition, MLB Player Poll will provide examples of healthy debate, expressing an opinion using supporting evidence and analyzing statistics to confirm or refute a previous held belief. The results of the poll question that will serve as the heart of each episode will be represented graphically using traditional charts and graphs in a manner designed to help teenagers process similar information they will encounter in newspapers, magazines and textbooks. Finally, the emphasis on physical education in each episode of MLB Player Poll will inspire young viewers to get off the couch, go outside and exercise. MLB Productions, with continued guidance and advice from NASPE (National Association for Sport and Physical Education), will strive to make every episode of MLB Player Poll meet the FCC's E/I standards for young adult programming. The program is regularly scheduled and airs between the hours of 7:00 am and 10:00 pm.
