Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Major Decision is a weekly half-hour program designed and produced for children aged 13-16. Hosted by lively and entertaining teens, Major Decision helps guide viewers on the journey to choose the ideal career path. Each episode focuses on one career with an in-depth interview, a multi-faceted review, and career ranking. The importance of career guidance is highlighted in this series, which gives viewers a glimpse into the life of a different profession in each episode. As teens prepare for life after high school, Major Decision provides more information about the options available to them as adults.

Program Title	Animal Atlas (Digital Only) WEWS-D2
Origination	Network
Days/Times Program Regularly Scheduled	Sundays at 11:00 a.m. - 11:30 a.m.
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas is a weekly half-hour series that travels around the globe to educate viewers 13-16 about the animal kingdom. Every week viewers are given an in-depth look at many different kinds of animals, their biology and habitats, their eating and socializing habits, and much, much more. The series features an up-beat and entertaining narration over beautifully-shot animal footage from zoos and wildlife habitats all over the world. Without pandering, pontificating, or watering down material, it broadens the knowledge and perspective of young viewers through a friendly and fascinating presentation of information about the animal world.
