Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>Teen Temps, Inc. is a community-based, non-profit organization with a mission of providing future generations of youth with preparation and experiences through a "career opportunity system." Its focus is on delivering customized, motivating, and meaningful job placement or work experiences to underserved youth through the following key components: Provision of comprehensive counseling and guidance in occupation and career preparation; Placement in paid and unpaid apprenticeships, internships, externships and jobs leading to formal credentials for "value-added" occupational and career choices. The innovation of Teen Temps is that it is structured to operate with youth and young adults similarly to the way a temporary employment agency operates with its employee clientele providing placement and matching of employees with employers for long term advancement through permanent placement, apprenticeships, customized training and / or postsecondary education. Teen Temps will begin with efforts to attract and retain teens in grades 9 - 12 through participation in career exploration and identification as a component of its after-school program. Talented Teen Club building teen self-esteem is a solution to one of the most critical problems facing Florida high dropout and high youth crime rates. Talented Teen Club has a proven record of helping children from lower income families stay out of trouble, graduate from high school, attend college, and become productive citizens. Talented Teen Club is a Talent /comprehensive program that help children from low-income families succeed by providing college and vocational scholarships, volunteer mentors; student advocates/case managers, early intervention and long-term support. High standards, parental involvement, and community support are crucial to the program's success. TALENTED Teen Club is a 501(c) (3) non-profit organization and your donation is 100% tax deductible. Program offered viewers an update on groups progress and opportunities for viewers to Volunteer. We have been running a Chevy Safe Kids campaign, with Safe Kids Palm Beach County, promoting the proper installment and inspection of car seats for children. These events are held at various South Florida Chevy Dealers. We have also produced a Safe Kids promotional campaign to remind kids and parents about the dangers of texting while driving. We are currently finishing a Fit Kids campaign with Subway restaurants to promote healthier diet and lifestyles for kids.</p>
