Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The American Athlete is a television program that goes one on one with the 'world's greatest sports superstars'. As each athlete shares their passion for their particular sport, careful use of leading questions allows the athletes to open up to the viewers sharing the personal triumphs, aspirations and words of advice. The program's motivational and inspirational message of each guest empowers audiences of all ages to pursue their dreams through high expectations both personally and professionally and a strong commitment to a sport. Each segment of The American Athlete delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, dedication, and perseverance children can apply to their lives. In one segment Serena Williams, professional tennis player, stated to the viewers, "I think it's really important to set goals. If you don't have goals and set them high, you don't have anything to strive for".

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Eco Company provides Core programming in the area of the environment of the earth's resources. Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team learns about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop new ideas and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally the show provides weekly practical tips that teens and people of all ages can use in their daily lives. Eco Company uses the technique of peer reporting. The diverse and dynamic cast of teens who make Eco Company combine their natural curiosity with their enthusiasm to report the informational stories to teens and their families. Each episode employs Eco Company "members" or hosts who conduct interviews of peers and adults and experience first hand the demonstration and explanation of the topic.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Mystery Hunters are Araya and Christina, regular kids with inquisitive minds, who travel the globe to investigate the sites and delve into the tales which have baffled people throughout the ages - investigating the Grand Canyon for ghosts, searching for the lost city of Atlantis and investigating the legend of Frankenstein. Armed with video cameras and their instincts, they gather facts and meet the experts, debunking common myths and offering explanations for legends, spooky stories and unexplained phenomena. They use critical thinking and scientific reasoning to show that things are not always what they seem. Back at the Mystery Lab, Doubting Dave, the resident skeptical scientist, challenges viewers to send in their own mysteries and then tackles the questions with experiments and logical explanations. Dave also assists the Mystery Hunters with their investigations.

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The American Athlete is a television program that goes one on one with the 'world's greatest sports superstars'. As each athlete shares their passion for their particular sport, careful use of leading questions allows the athletes to open up to the viewers sharing the personal triumphs, aspirations and words of advise. The program's motivational and inspirational message of each guest empowers audiences of all ages to pursue their dreams through high expectations both personally and professionally and a strong commitment to a sport. Each segment of The American Athlete delivers an educational and informational message that supports current social, intellectual and emotional aspects of children ages 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, dedication, and perseverance children can apply to their lives. In one segment Serena Williams, professional tennis player, stated to the viewers, "I think it's really important to set goals. If you don't have goals and set them high, you don't have anything to strive for".
