Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>The opening sequence from On The Spot boldly lays claim to a wide range of education and information topics: Transportation, Geography, Technology, Culture, Environment, Government, Money, Sports, Food, Art, History, Music, Science, Math, Health, and Language. Then, in the thirty-minute program that follows, it delivers the goods. It succeeds in making a program that is essentially information-based engaging to the targeted 13-18 year-old audience. It succeeds through the strategy of an extremely fast-paced presentation linked with eye-catching visuals, a pounding soundtrack, and an amazing array of information glued together by a genial, selfamused narration. It is a perfect match for the 21st Century learner. The information comes at the viewer like potato chips-you can't seem to take just one and it is impossible to put down the remote.</p>
