Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>THE MAGIC SCHOOL BUS is based on a series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact-filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges them to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 7 to 9 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the story line. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	PEARLIE is an animated comedy series based on the children's book series Pearlle the Park Fairy by Wendy Harmer. Pearlle is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4 to 8-year-old range, Pearlle focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlle was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlle's nemesis and cousin, Saphira, often takes advantage of Pearlle's good nature which requires that Pearlle must also frequently outwit the park bully. In each episode, Pearlle approaches new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Based on the book series by Deborah Manchester, "The Zula Patrol" teaches science and astronomy facts to a target audience of 4-8 year old children. The Zula Patrol is a group of six animated aliens, headed by Captain Bula, who carry out a variety of scientific space missions. During their missions, Captain Bula and his crew often encounter their foe, Dark Truder, and his minion, Traxie, who are trying to take over the universe. Over the course of the story, the audience learns different facts about a specific space topic, such as stars, planets, orbits, moons, asteroids, comets, gravity, and space probes. The information is then highlighted during a segment where crew member Professor Multo delivers his "Multo-Moments" or summary of scientific facts from the story. Typically the stories also provide a social-emotional tag based on tolerance and non-violent conflict-resolution. Main digital channel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SHELLDON is an animated series that takes place in Shell Land, a mythical undersea world populated by characters from a wide array of water dwelling species. The main character, Shelldon, is an orphaned yoka shell mollusk who was adopted by the Clam family, and now lives with them in the family-owned Charming Clam Inn. Dr. Shell, an elder and venerated inventor, and Connie, a cowry shell classmate of Shelldon's also live at the inn. Shelldon and his buddies Herman (a Hermit crab) and Connie always work together and solve problems that they face in school or in the community. A recurring problem is to staunch the plans of the local millionaire, Cecil Cracken, whose greed puts making money over protecting the environment. Dr. Shell is typically the childrens key provider of knowledge and other resources. In each episode, the children learn a significant socio-emotional lesson and also share information relating to their ocean habitat and environmental protection. Main digital channel

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	PEARLIE is an animated comedy series based on the children's book series Pearlle the Park Fairy by Wendy Harmer. Pearlle is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4 to 8-year-old range, Pearlle focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlle was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlle's nemesis and cousin, Saphira, often takes advantage of Pearlle's good nature which requires that Pearlle must also frequently outwit the park bully. In each episode, Pearlle approaches new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order. Program Regularly Scheduled

Total times aired at regularly scheduled time 13

Length of Program 30 mins

Age of Target Child Audience from 6 years to 10 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

Based on the book series by Deborah Manchester, "The Zula Patrol" teaches science and astronomy facts to a target audience of 4-8 year old children. The Zula Patrol is a group of six animated aliens, headed by Captain Bula, who carry out a variety of scientific space missions. During their missions, Captain Bula and his crew often encounter their foe, Dark Truder, and his minion, Traxie, who are trying to take over the universe. Over the course of the story, the audience learns different facts about a specific space topic, such as stars, planets, orbits, moons, asteroids, comets, gravity, and space probes. The information is then highlighted during a segment where crew member Professor Multo delivers his "Multo-Moments" or summary of scientific facts from the story. Typically the stories also provide a social-emotional tag based on tolerance and non-violent conflict-resolution. Main digital channel.
