Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast. "What Color Is Your Dog?" is based upon a book written by Joel Silverman, the well-known Hollywood animal trainer and author. Each week Mr. Silverman demonstrates how to train dogs and cats with the help of his furry friends either in-home or on location. The visual instructions are an easy way to learn the art of training four-legged family companions for this age group of 13 to 16 years. The kids will aid Joel in teaching the animals a new behavior each week. The "Dog Training" segment is dedicated to helping the young pet owner, in their home, to overcome their most troubling issue with their pet. Mr. Silverman demonstrates exactly what is required to eliminate the problem. The skills learned in each half hour is not only to improve training skills but will teach young people patience, kindness, responsibility, determination and understanding -- all traits needed in life, as well.
