Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	On the Spot uses an entertaining on-the-street format to test how well young people know the information contained in the Common Core State Standards Initiative, an attempt to set a national curriculum to bridge the standards gap between states. Then, On the Spot explains the answer to each question. On the Spot challenges viewers to recall middle and high school knowledge about history, science, math, English, second languages, health, geography, art, music and technology, and then teaches them the answer.
