Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chica is a five-year-old chick who spends her days with her parents in their costume shop, the Coop. The shop's one employee, Kelly, doubles as Chica's nanny and the ensemble is rounded out with Bunji, a large floppy eared rabbit and Stitches, a straw mannequin that sits in the window. In each episode Chica develops or encounters a problem that she cannot immediately resolve. Usually her issues involve impulse control, distractibility, judgment, and interpersonal behaviors. She and Kelly usually work on the problem through an adventure-a fantasy transformation to animation--where Bunji and Stitches come alive and join Chica and Kelly for the problem solving process. The core educational content is primarily socio-emotional development, and Chica learns how to express herself properly, think before she acts, and interact with others effectively. She often learns that it takes hard work and practice to become proficient at different skills.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Lazy Town encourages fitness and healthful habits for preschool children. In the imaginary setting of Lazy Town, characters eating and fitness habits are linked to problem solving in their world. The lead character is Stephanie, a young girl who guides the audience through the story as she and her friends (human puppets) and her Uncle (Mayor Milford Meanswell) navigate life within Lazy Town. Robbie Rotten, the underground spy and influencer who personifies the ethos of Lazy Town, is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids have difficulty with Robbie Rotten, Sportacus, a gymnast-athlete prepared to answer any call for help, comes to the rescue from his home in a zeppelin-like aircraft that hovers over earth. The underlying themes of Lazy Town stress the importance of eating sports candy (aka fruits and vegetables), always obtaining sufficient sleep, and going outside to engage in a wide range of physical activities including playing games, competing athletically, and even building forts and play structures.

<p>Describe the educational and informational objective of the program and how it meets the definition of Core Programming.</p>	<p>. Lara - the narrator of the series. A female six year-old human girl. Voiced in the UK by Alisha Holmes and in the US by Gigi Sarroino. Poppy Cat - the main protagonist in the series. She is the leader of the group. She is a cheerful female six year-old orange ginger tabby cat who wears a colorful checkered neckerchief and goes on adventures with her friends. She's an adventurer, a dreamer, and a devoted friend. Poppy Cat's heroic gusto and unquenchable curiosity propel each adventure for her and her friends, often leading to unexpected experiences and discoveries. She is highly conscious of those around her and will go to the ends of the Earth to solve a problem. Poppy Cat loves adventure, but her top priority is always her friends, which is why she is the unspoken leader of her little gang. She's the glue that holds them all together. Voiced in the UK by Joanna Page[1] and in the US by Alicyn Packard. Zuzu - a speedy male six year-old black and white dog, probably a Dalmatian, who is Poppy's closest best friend and loves doing tricks on his skateboard. He's a kinetic ball of pure energy. If it has wheels, Zuzu will fall off it; if it floats, he'll sink with it. Even though his falls, tumbles and spills are extreme and dramatic, Zuzu always laughs them off. To him, falling is every bit as thrilling as the ride. It's that same spirit that makes him a great friend to have on an adventure...not to mention a liability. Zuzu is an adrenaline junkie who is competitive, loud, and practically fearless. He's impulsive and cool, quick to laugh at a joke, impatient when it comes to manners and protocol, and a good sport most of the time. Voiced in the UK by Joanna Ruiz and in the US by Danny Katiana. Alma - a sweet female six year-old pink and white European rabbit with a Southern-British accent in the UK and a Southern-American accent in the US. She's a charming, melodramatic, and excitable rabbit. She often arrives at Poppy's breathless and worked up about a situation, though in the face of danger, she can be quite blithe, to Mo's chagrin. Alma, who fancies herself quite a singer, often coaxes her best buddy Mo to sing a duet. Mo has an unspoken little crush on Alma and worries about her a bit. The chatty rabbit is a loyal, affectionate friend who loves jewelry, the color pink, and picnics. She treasures a special seashell that Mo gave her to hear the ocean. She has a cousin named Chester. Voiced in the UK by Nicola Hornett and in the US by Stephanie Darcy. Mo - a feisty male five and a half year-old yellow mouse who loves singing. This fastidious mouse is an overly cautious, tightly wound ball of nervous energy. If it weren't for Poppy Cat, who can inspire and instill confidence in anyone, Mo would never leave the safety of Poppy's backyard. Every day, Mo is invariably squashed, stretched, or squeezed by a speeding Zuzu, completely by accident. The little mouse looks up to Zuzu like a big brother and envies his bravery. Mo has many collections, which include special keys, shells, or photos. He loves cheese, trinkets, and getting safely to the ground once airborne. Mo is very proud of his museum on the Moon. He's the youngest of the group. Voiced in the UK by Charlie Cameron and in the US by Katie Leigh. Owl - a lazy male adult brown Eurasian eagle owl who wears a blue and purple wool hat. He considers himself an expert on almost everything, knowledge that he has gleaned from books or his travels. Though he has traveled far from his comfortable house, Owl's directions are usually comically convoluted. Owl may complain about Zuzu's inadvertent path of destruction, but he has a soft spot for each of his friends. He's especially supportive of the timid Mo, and like everyone, has great respect for Poppy Cat. Owl likes the finer things in life: a soft coconut-leaf nest, a cup of hot chocolate, and a quick nap whenever he can catch one. It's no secret that he likes to perform. He is the oldest of the</p>
