Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Length of Program	30 mins
Age of Target Child Audience	6 years to 11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Cubix:Robots for Everyone a CW program intended to meet the educational needs of children ages 6-11. The educational objectives of Cubix include the reinforcement of age appropriate interpersonal skills, the development of self-confidence, courage and personal responsibility. Cubix exposes children to these lessons within an entertaining, non-threatening imaginary environment. The Botties and their robots tackle personal and community adversities in creative story lines. Within this framework, children can see age-appropriate problem-solving strategies and learn to model the appropriate behavior. Through the Botties' experiences, viewers learn to overcome self-esteem and social competency issues, demonstrating to children that self-confidence, courage and resilience are necessary tools for problem solving and establishing good interpersonal relationships. Moreover, the characters inspire and promote altruistic behaviors, such as community participation, support, resilience, tolerance and leadership skills. This program is specifically designed to further the educational and informational needs of children,has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides.
