Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	504.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	12.5
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Green Screen Adventures sparks enthusiasm for writing through age-appropriate sketch comedy, original songs, puppetry, and story theatre. The stories are based on the writing of elementary school students, ages 7-13. Children get the message that their words have power, that their voices are being heard. Our diverse Green Screen company of performers and writers reinforce critical writing skills and share positive social messages. Our educational mission emphasizes the four "C"s as well as the three "R"s Curiosity, Confidence, Citizenship & Compassion.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	With its travelogue format, compelling back stories, and upbeat young narrator, the "Travel Thru History" series entices young adults to learn more about American history. The various episodes take viewers on an educational "field trip" to areas throughout the United States. The series uses beautiful photography and interviews with curators and other on-site authorities, as well as graphics, vintage photos, and film footage, to set a pace that will keep a busy young mind engaged. History is presented as a story of people one would like to have met, not a dry recitation of facts and figures, thus moving the thoughtful student out of the classroom and into the world.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Saved by the Bell" is a weekly television series targeted to teens 13-16 years of age, which explores social themes and coping strategies through the daily school life of six teen-aged friends at Bayside High who help each other make the most of growing up in a complicated world. The multi-ethnic cast members serve as role models for young teen viewers as they deal with such issues as dealing with the death of a loved one, the right to say "no," the meaning of heroism, teenage alcohol use and other issues of particular concern to young teens.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Whaddyado" (What Do You Do) is a half-hour weekly educational series designed to inform, educate, inspire and entertain children 16 & under (specific target audience is 13-16) about the world around them. Each episode is an educational life-lesson, based in reality, intended to prepare young people for potential situations that could easily crop up at anytime, anywhere. Using a combination of actual dramatic footage, re-enactments, and demonstrations, "Whaddyado" provides a compelling look at perilous situations that have occurred in real life. Then, using interviews with the participants, and instructions from experts, we learn what the proper reaction should be when faced with similar life-threatening circumstances. Also, in an effort to help young people make the right decision at the right time.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

Youth Bytes is a dynamic program geared towards today's youth. The show is hosted by Chad Daniels, who is a unique youth leader with a heart towards today's children and teenagers. With educational, interesting and fun scenarios, Chad teaches teenagers the timeless truths about living a life of faith and confronts the needs of teenagers in this fast paced, high tech world.

Certification

Question	Response
<p>The undersigned certifies that he or she is (a) the party filing the Children's Television Programming, or an officer, director, member, partner, trustee, authorized employee, or other individual or duly elected or appointed official who is authorized to sign on behalf of the party filing the Children's Television Programming; or (b) an attorney qualified to practice before the Commission under 47 C.F.R.
