Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	4.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	Jack Hanna's Wild Countdown
Origination	Local
Days/Times Program Regularly Scheduled	Sunday / 1:00PM
Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	9
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program chooses a region, or special adaptations animals have made or a specific animal and uses a top ten countdown. From a safari in Botswana, to a dude ranch in Montana, to a retirement home for horses, Jack counts down 10 incredible experiences. He also explores wild and rare animals in Australia such as dingoes, devils and cassowaries. For animal adaptation Jack travels from the Arctic to the desert picking ten animals that have made special adaptation to survive in the harsh environments. This program informs the viewer about animals and their habitat which can lead the viewer to discussions regarding the environment and conservation. This program airs on the station's main digital stream.

Total times aired at regularly scheduled time	13
Total times aired	13
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	10
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Supported by a team of Georgia Aquarium biologists, veterinarians and other experts, Jeff Corwin travels the world to explore the Earth's least understood resource, our oceans and waterways and the animals which call them home. He swims with manta rays pointing out that their body form was the inspiration for the design of the Stealth jet. While in the water with whale sharks he takes samples of their blood to better understand their biology. As Jeff continues his journey through each episode the viewer is able to connect with these animals and learn how important they are to all life on the planet as well as how sea life connects to life on the rest of the globe. This program airs on the station's main digital stream.

Number of Preemptions Rescheduled	2
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is hosted by teens and used peer reporting to profile individuals and organizations committed to environmental issues, including reports on the latest recycling and nature conservation efforts, advances in renewable energies and carbon footprint-reducing technology. It also offers advice on how to be more eco-wise, while performing daily activities. The program also includes "eco bytes" (bits of trivia related to environmental issues)and video footage uploaded by teen viewers to the program's website. By using this information from a youthful point of view, it enthusiastically encourages young adults to become more proactive about environmentalism and stresses the positive impact that young people's efforts, no matter how small they may seem, can have on the larger world around them. This program airs on the station's secondary digital channel.

Days/Times Program Regularly Scheduled	Monday / 8:00AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Jarod Miller brings viewers up close with the most fascinating members of the animal kingdom. The mission of Animal Exploration is to inspire viewers to preserve the innate human instinct to explore. Each episode is designed to reveal to the viewers the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe. Also, each episode features a "Did you know?" segment, that shares information that viewers can use in their own backyards. This program airs on the station's secondary digital channel.

Program Title	Eco Company
Origination	Syndicated
Days/Times Program Regularly Scheduled	Tuesday / 8:00AM
Total times aired at regularly scheduled time	12
Length of Program	30 mins

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is hosted by teens and used peer reporting to profile individuals and organizations committed to environmental issues, including reports on the latest recycling and nature conservation efforts, advances in renewable energies and carbon footprint-reducing technology. It also offers advice on how to be more eco-wise, while performing daily activities. The program also includes "eco bytes" (bits of trivia related to environmental issues)and video footage uploaded by teen viewers to the program's website. By using this information from a youthful point of view, it enthusiastically encourages young adults to become more proactive about environmentalism and stresses the positive impact that young people's efforts, no matter how small they may seem, can have on the larger world around them. This program airs on the station's secondary digital channel.

Program Title	Whaddyado?
Origination	Syndicated
Days/Times Program Regularly Scheduled	Thursday / 8:00AM
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The educational goal of this program is to show teens the proper reaction when faced with everyday circumstances. The program will, through dramatic reenactments, document ordinary teens who accidentally find themselves in perilous and challenging situations, interview the participants and talk to various experts who will explain what the proper reaction should be when faced with similar perilous circumstances. A moral dilemma segment will also be featured in each show in an effort to help teens to make the right decision at the right moment. This program airs on the station's secondary digital channel.
