Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Willa's Wild Life is a new animated series centered on a six-year-old girl, and her menagerie of animals. Willa lives at home with her father and pets; an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence, and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the cool group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Program Title	Weather 101 for Kids (Digital Multicast Only on 17.3)
Origination	Syndicated
Days/Times Program Regularly Scheduled	Fri 11:30-12p; 12:30-1p; 1:30-2pm
Total times aired at regularly scheduled time	39
Length of Program	30 mins
Age of Target Child Audience from	6 years to 12 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Weather 101 for Kids explains various aspects of weather, including the meaning of so many different and sometimes confusing workds like dew point, humidity, temperature, wind speed, pressure, etc. Various meteorologists explain how satellites and computers are used to develop a weather forecast and the importance of science and math for those who want to make weather forecasting a career. A lot of safety tips are provided so kids know what to do in case of a weather emergency like thunderstorms, lightning, tornados, hurricanes, flooding, etc., (for example: during flooding if the water is at an unknown depth or the speed of the water is unknown, then follow the motto . . . "turn around, don't drown").
