Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Mama Mirabelle's Home Movies is designed to promote preschool children's appreciation and understanding of animal life and to foster their recognition of ways in which animal and human experiences are similar and different. For ages 2-6, the series has four educational and informational goals: (1) to foster understanding of animal customs and behaviors, (2) to encourage reflection on similarities and differences between their own lives and the animals' lives, (3) to introduce preschool children to an array of different animals in the kingdom and enrich their ability to describe and communicate about them and (4) to motivate preschool children to appreciate the wonder and beauty of animals and animal life. In each episode, children will be immersed in a topic that will be the basis of a compelling story with a problem and resolution. Sample topics include: grooming habits, communication, caring for the young, eating habits, shelter, etc. Children will leave the episode with a simple, clear understanding of how this topic can play out in the animal world. They will be exposed to a variety of situations/customs that will invite them to consider how this topic plays out in their own lives and what it means to them, e.g., what does shelter mean to me? How do I deal with cold weather? How do I communicate? etc.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Toot & Puddle is a story of exploration, both home and afar; it's a story about being yourself and being a good friend. For ages 2-7, the series key educational and informational goals are: (1) to encourage exploration and adventure, exciting kids about the world (2) to teach children about other cultures, including geography, music and history and (3) to provide age-appropriate problem solving behavior for children to model how to be a good friend, how to be yourself and how to celebrate differences. Two friends, Toot and Puddle, live together in Woodcock Pocket. Toot loves to go see the world, Puddle prefers to stay at home. Each episode has one of the friends learning about life--whether it's through Toot's eyes with an international view or through Puddle's experiences back at home with their friends. Children learn about geography, conversational foreign language terms and cultural customs and traditions across the globe.
