Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This weekly educational series is designed to educate, inform, and inspire children about the world around them. Each episode is an educational life-lesson, based in reality, intended to prepare young people for potential situations that could easily crop up at any time, anywhere. Using a combination of actual dramatic footage, re-enactments, and demonstrations, "WHADDYADO" provides a compelling look at perilous situations that have occurred in real life. Then, using interviews with the participants, and instructions from experts, we learn what the proper reaction should be when faced with similar life-threatening circumstances. Also, in an effort to help young people make the right decision at the right time many episodes will feature a Moral Dilemma segment.
