Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	12.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Sea Rescue, features the rescue, rehabilitation and - in many instances - release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Elizabeth Stanton's Great Big World provides dynamic core programming in the areas of particular concern to young teens; including global, social, educational, and wellness issues. Award-winning teen hostess Elizabeth Stanton and select celebrity friends travel around the world volunteering in areas of specific need ranging from feeding the hungry in the slums of Kenya to bringing hearing aids to Vietnamese neighborhoods whose citizens have experienced high rates of profound deafness and hearing loss. Great Big World offers a dynamic television experience for teens - combining the exciting, fun, and diverse experiences of world exploration with the life-changing volunteer opportunities available in these same areas. Various age-appropriate global issues are introduced to the viewing audience through indepth and thoughtful interviews with Elizabeth, her travel buddies, and the friends they meet along their journey. In addition, Elizabeth and friends personal hands-on experiences in the field both inspire teens to engage in selfless, helping behaviors in addition to educating them on where and how to find volunteer opportunities.
