Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal Atlas is an entertaining and educational half-hour program that explores the world of animal wildlife, promoting a better understanding of how various animal species live and what they need to survive. With an entertaining narrative, the series combines focused examinations of certain tiopics such as Animal Appetites (which explores the various diets of animals along with information about how animals catch and eat their food, how dieets determine their lifestyle, etc.), Animal Antics, (a hilarious look at the crazy physical antics and talents of certain species), Animal Babies (an intimate look at babies of various species, how they are born, how they are raised and the difficulties and delights of growing up), along with shows which focus solely on certain animals such as elephants, berars, and monkeys. In these shows a through and entertaining exploration of the specific animal takes the viewer into that animal's world as we see where it lives, how it eats, how it plays, how the family unit operates, and what threatens and supports its survival. Animal Atlas also promotes responsibility toward wildlife issues by educating the viewer about endangered species and wildlife habits, as well as informing viewers how to support wildlife conservation.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>B In Tune TV is a television program which educates and inspires viewers to "Be in tune and stary in tone" in all aspects of their life using music as a positive medium in reaching their goals. Fuests share personal and behind the scene experiences of hous music has enriched their lives and made the journey remarkable. The program's history segments encourage viewrs to embrace the musical foundations built by hard working industry pioneers. The cultural and historical perspectives of their contribution to music are revealed in depth while pointing out the educational details of the various individuals. The InTune Monthly Lessons segments are hands on instructional demonstrations and tips by today's top artists highlighting their instrument. B In Tune TV empowers audiences of all ages to pursue their dreams to completion through music education, practice and challenges them to never give up on perfecting their musical passion into a career. Each segment of B InTune TV delivers an educational and informational message that supports current social, intellectual and emotinal aspects of children ages 13 and up. Attributes and advice emphaszied by the hosts and their guests instill a grounded balance of priorities, commitment and perserverance children can apply to their lives. Based on my extensive experience as an educator and principal in public education, it is my sincere opinion that the series B InTune TV complies with the FCC Children's Television Rules by farthering the educational and informational needs of children 13 years of age and up. Barbara J. Pierce, MA Ed.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Green Screen Adventures sparks enthusiasm for writing through age-appropriate sketch comedy, original songs, puppetry, and story theatre. The stories are based on the writing of elementary school students, ages 7-13. Children get the message that their words have power, that their voices are being heard. Our diverse Green Screen company of performers and writers reinforce critical writing skills and share positive social messages. Our educational mission emphasizes the four, Curiosity, Confidence, Citizenship, Compassion.
