Ruff-Ruff, Tweet, and Dave [RRTD] is a preschool adventure/activity show where the lead characters travel to faraway lands to have adventures with their guide, a hamster named Hatty. Ruff-Ruff, the dog, is the most playful of the three; Tweet is a little bird who loves to fly and get creative with her suggestions; and Dave the Panda has a thing for bananas. RRTD might go to the beach, or the mountains, or to strange lands with pillows everywhere; just the sort of place where imagination and logic come together. The settings are always brightly colored and beautiful. And their transport vehicles are Roly-pods, artful go-carts that fit on a spiral ramp that folds in and out of the Spin-Again, a colorful round spinning top with special compartments designed to anchor each vehicle right on the outside rim during the journey.

Astroblast is the space station and home of six animal characters in Bob Colar's book series of the same name. The space station is managed by an over-confident and exuberant commander, Comet the dog. While the space station supports the missions of a bizarre and diverse array of aliens, the Smoothie Shack is the hub of social interaction for the galaxy. There is always something happening at Astroblast and everyone on the crew has plenty to learn to keep the community happy and on an even keel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Lazy Town encourages fitness and healthful habits for preschool children. In the imaginary setting of Lazy Town, characters' eating and fitness habits are linked to problem solving in their world. The lead character is Stephanie, a young girl who guides the audience through the story as she and her friends ("human" puppets) and her Uncle (Mayor Milford Meanswell) navigate life within Lazy Town. Robbie Rotten, the underground spy and influencer who personifies the ethos of Lazy Town, is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids have difficulty with Robbie Rotten, Sportacus (a gymnast/athlete prepared to answer any call for help) comes to the rescue from his home in a zeppelin-like aircraft that hovers over earth. The underlying themes of Lazy Town stress the importance of eating "sports candy" (aka fruits and vegetables), always obtaining sufficient sleep, and going outside to engage in a wide range of physical activities that include playing games, competing athletically, and even building forts and play structures.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Earth to Luna is a Brazilian animated series about 12 year old girl, Luna, who loves science and the outdoors. There is nothing she doesn't question, and she shares everything she learns with her little brother, Jupiter, her parents or her friend Alice, and Clyde, her pet ferret. In each episode Luna and her brother develop questions about whatever they find curious, e.g., "what goes on inside the snails' shell?" or "Why does a firefly blink?" In pursuit of answers, Luna, Jupiter and Clyde go off on an imaginary adventure to do their research. They transform into the object or creature they are studying so they can personally experience the answers to their questions. When the threesome is finished with the "field trip" Luna summarizes everything they have learned with a show and a song.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Poppy Cat, based on the book series by Lara Jones, models the use of imagination and storytelling to encourage creative thinking in viewers. Each episode features the narrator Lara, reading a story about Poppy Cat, to her own cat (who is also named Poppy). She weaves an exciting tale following her imagination, which leads her to distant lands reached by boat, plane, hot air balloon or train. Each story features Poppy Cat as the leader of a group of animal friends, the resident bully Egbert the badger, and other occasionally recurring characters. A prevailing message emerges within each episode to be nice to your friends and always work together. There remains an overarching implicit message within every episode as well: think creatively and exercise your mind through reading and storytelling - for these activities always lead to enjoyment and adventure.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Tree Fu Tom is a live action/animated series about a little boy who lives in a rural area, and has a rich fantasy life in the woods behind his home. Tom uses specific movements to summon up magic powers that permit him to morph into an animated hero and fly around in Treetopolis, the fantasy version of his woods. While in Treetopolis, Tom and his friends, Ariella, Twigs, Squirmturn and Zigzoo will invariably run into a problem or disaster that needs fixing. Tom calls upon the audience to practice original dance moves that will bring him "Big World" magic so he and his friends can resolve their challenge of the day. Educational messages reinforce positive socio-emotional content, with examples that model: being loyal to good friends, knowing how to ask for help, doing the right thing instead of what is convenient, making the effort to share rather than being selfish and relying on teamwork in order to accomplish a goal.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Astroblast!, based on the book series "Astroblast!" by author and illustrator Bob Kolar, is set on a space station in an unknown solar system. The station is populated by five animal characters and one 3-eyed octopus of unknown derivation. Each episode begins with an everyday conversation or incident that grows into a predicament of some sort needing a solution. While these predicaments take place on a space station populated by animal characters and aliens from different galaxies, the issues and resolutions resonate for a preschool audience. Through comedy and zippy action, our target audience sees how the characters learn lessons for practical living such as how to: keep track of things that belong to you, practice good habits, clean up a space when you've made a mess, rebound from a failure or embarrassing incident, or resist the urge to blame others for your mistakes.
