Length of Program	30 mins
Age of Target Child Audience	4 years to 8 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Magic School Bus is based on a series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges her students to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 4 to 9 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the story line.

Age of Target Child Audience	4 years to 8 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series, Pearlie the Park Fairy, by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, we see Pearlie approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast Utilizing humor as a powerful learning tool, GSA sparks enthusiasm for writing through age appropriate sketch comedy, original songs, puppetry, and story theatre. By basing the stories on the writing of elementary school students, ages 7-13, children get the message that their words have power, and that their voices are being heard. GSA provides something that educators can't necessarily offer or replicate in a school setting, as it gives students a real world connection to their writing. Young students have the opportunity to understand the impact of writing on a broader audience by submitting their own writing to the show for consideration and adaptation. Green Screen's company of performers and writers reinforces critical writing skills and emphasizes positive social messages. In addition to academic skills, GSA focuses on the five Cs: Creativity, Curiosity, Confidence, Citizenship, Compassion.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast The Busy World of Richard Scarry is designed for two to five year olds. Like the Scarry books themselves the TV series uses themes that are congruent with the interests of pre-school and early elementary school children. These include - love of parents - mastery (of all the motor, language and social skills that they see in the world around them) - power (who calls the shots) - possession (It's mine!) - personal routines eating (dressing, sleeping) - family living (cooking, recreation, celebration) - imagination and vicarious play. - pro-social behavior (generosity, friendliness, persistence, altruism, understanding of others' points of view, empathy, acceptance of others' idiosyncrasies) - moving beyond family attachments to the world of friendships and community. - developing skills on which academic learning depends (attention, language, memory, active processing of a story, interest in reading).

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast Dino Squad promotes positive social learning using the principles of social learning theory. It portrays attractive and engaging young role-models enacting the kinds of positive social behavior and values we would like our audience to adopt. The series combines children's fascination with dinosaurs, their attraction to science-fiction or superhero characters who have the ability to "morph" from human status into super beings, and the appeal of a group of five, highly individualistic and appealing teens, to attract and engage young viewers. Each episode portrays these teens facing and finding solutions to problems that are relevant to contemporary youngsters. In so doing, each episode provides young viewers templates and/or standards that they can employ to navigate issues they typically encounter in their own, daily lives.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Multicast "Doodlebops Rockin' Road Show" is intended to promote academic and social readiness in order to help young viewers toward ultimate competence and success in their future school and extracurricular environments. By means of fantasy, fun, music and adventure, the Doodlebops Band teaches kids about their world and gives them the vital understanding and behavioral tools to explore it. The show's major educational goals lie in the all-important psycho-social arena. Largely through targeted modeling, the show aids in the enhancement of viewers' personal character and pro-social behavior. Viewers come to see the value of honesty, integrity, the joy that can come from sharing, and so much more. The show's focus on feelings and emotions gives viewers an opportunity to make gains in their own emotional intelligence. They learn to effectively express themselves and "read" the expressions of others. The show also provides a template that youngsters can use to face situations and solve problems with the use of courage, inventiveness, and logical reasoning. The series secondarily addresses complementary core-knowledge goals. The show encourages an understanding and appreciation of music, leading to creative development and gains in multiple other subject areas; and provides practice on fundamental knowledge-based learning and skills, including numbers, the alphabet, colors, vocabulary, sequences, and directions. By incorporating the series' multi-faceted educational goal in the context of fun and laughter, "Doodlebops Rockin' Road Show" furthermore helps to engage kids in new learning, and gives them a chance to hone and develop their burgeoning sense of humor. SPECIFIC EDUCATIONAL OBJECTIVES: To encourage viewers to develop positive personal qualities and pro-social behaviors, including honesty, kindness, initiative, earnestness, compassion, cooperation, helpfulness, sharing and leadership. To aid viewers to comprehend their own feelings and emotions and "read" the emotions of others, leading to gains in emotional intelligence and an understanding of the vital relationship between emotion and response. To assist viewers to generate techniques associated with critical thinking in goal-setting, decision-making and problem-solving, bringing them to an appropriate sense of self-reliance and an understanding of the consequences of their actions. To help viewers to gain meaningful life skills and behaviors, such as following directions, being a member of a team, and making new friends - intended to better equip them to take on a functional role in school and at home To provide viewers with a basic understanding of the elements of music and an appreciation of music itself. This learning is geared to foster creativity and enhance learning in a number of other subject areas, notably including mathematics, language and literature. To teach and provide practice on fundamental knowledge-based learning and skills, including numbers, the alphabet, vocabulary, colors, sequences, and directions. To spark and broaden viewers' burgeoning sense of humor in order to promote intellectual development, enhance resilience, and help them see the fun of new learning.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast Liberty's Kids is designed to enable viewers to experience, in fresh and exciting ways, the extraordinary period of 1773 to 1789 in American history, as the thirteen colonies, led by a group of courageous and brilliant individuals fought for freedom from Britain and established a new nation. It uses powerful storytelling to address three primary educational goals: 1. To introduce young people to an extensive cast of remarkable historical figures, from Ben Franklin to Phillis Wheatley, and to enable them to understand the incredible sacrifices these individuals made to help found the United States. 2. To guide young people through the entire sequence of amazing events that led to the creation of a new nation, from the homes of ordinary Americans and the meeting halls from Virginia to Massachusetts to the numerous battlefields in the colonies and the royal courts of France and England. 3. To help young people understand the importance of key philosophical, social and political issues at the heart of the American Revolution by setting these issues in actual historical contexts, by having individuals such as Jefferson and Paine explain these issues and by seeing the impact of these issues on the lives of ordinary citizens. And to always to do so in ways that are age-appropriate for our target audience.

Program Title	The Magic School Bus
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 11-1130a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	4 years to 9 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Magic School Bus is based on a series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges her students to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 4 to 9 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the story line.

Origination	Network	
Days/Times Program Regularly Scheduled	Saturdays 1230-1p	
Total times aired at regularly scheduled time	13	
Length of Program	30 mins	
Age of Target Child Audience from	4 years to 8 years	
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series, Pearlle the Park Fairy, by Wendy Harmer. Pearlle is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4-8 year old range, Pearlle focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlle was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlle's nemesis and cousin Saphira, often takes advantage of Pearlle's good nature which requires that Pearlle must also frequently outwit the park bully. In each episode, we see Pearlle approach new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Program Title	Liberty's Kids
Origination	Network
Days/Times Program Regularly Scheduled	M-F 930-10a
Total times aired at regularly scheduled time	65
Length of Program	30 mins

Age of Target Child Audience from	7 years to 12 years
-----------------------------------	---------------------

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast Liberty's Kids is designed to enable viewers to experience, in fresh and exciting ways, the extraordinary period of 1773 to 1789 in American history, as the thirteen colonies, led by a group of courageous and brilliant individuals fought for freedom from Britain and established a new nation. It uses powerful storytelling to address three primary educational goals: 1. To introduce young people to an extensive cast of remarkable historical figures, from Ben Franklin to Phillis Wheatley, and to enable them to understand the incredible sacrifices these individuals made to help found the United States. 2. To guide young people through the entire sequence of amazing events that led to the creation of a new nation, from the homes of ordinary Americans and the meeting halls from Virginia to Massachusetts to the numerous battlefields in the colonies and the royal courts of France and England. 3. To help young people understand the importance of key philosophical, social and political issues at the heart of the American Revolution by setting these issues in actual historical contexts, by having individuals such as Jefferson and Paine explain these issues and by seeing the impact of these issues on the lives of ordinary citizens. And to always to do so in ways that are age-appropriate for our target audience.

Program Title	Green Screen Adventures
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 10-1030a
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	7 years to 13 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast Utilizing humor as a powerful learning tool, GSA sparks enthusiasm for writing through age appropriate sketch comedy, original songs, puppetry, and story theatre. By basing the stories on the writing of elementary school students, children get the message that their words have power, and that their voices are being heard. GSA provides something that educators can't necessarily offer or replicate in a school setting, as it gives students a real world connection to their writing. Young students have the opportunity to understand the impact of writing on a broader audience by submitting their own writing to the show for consideration and adaptation. Green Screen's company of performers and writers reinforces critical writing skills and emphasizes positive social messages. In addition to academics kills, GSA focuses on the five Cs: Creativity, Curiosity, Confidence, Citizenship, Compassion.

Program Title	Dino Squad
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 12-1230P
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	9 years to 11 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast Dino Squad promotes positive social learning using the principles of social learning theory. It portrays attractive and engaging young role-models enacting the kinds of positive social behavior and values we would like our audience to adopt. The series combines children's fascination with dinosaurs, their attraction to science-fiction or superhero characters who have the ability to "morph" from human status into super beings, and the appeal of a group of five, highly individualistic and appealing teens, to attract and engage young viewers. Each episode portrays these teens facing and finding solutions to problems that are relevant to contemporary youngsters. In so doing, each episode provides young viewers templates and/or standards that they can employ to navigate issues they typically encounter in their own, daily lives.

Program Title	Doodlebops R.R.S.
Origination	Network
Days/Times Program Regularly Scheduled	Sundays 7-730A

Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast "Doodlebops Rockin' Road Show" is intended to promote academic and social readiness in order to help young viewers toward ultimate competence and success in their future school and extracurricular environments. By means of fantasy, fun, music and adventure, the Doodlebops Band teaches kids about their world and gives them the vital understanding and behavioral tools to explore it. The show's major educational goals lie in the all-important psycho-social arena. Largely through targeted modeling, the show aids in the enhancement of viewers' personal character and pro-social behavior. Viewers come to see the value of honesty, integrity, the joy that can come from sharing, and so much more. The show's focus on feelings and emotions gives viewers an opportunity to make gains in their own emotional intelligence. They learn to effectively express themselves and "read" the expressions of others. The show also provides a template that youngsters can use to face situations and solve problems with the use of courage, inventiveness, and logical reasoning. The series secondarily addresses complementary core-knowledge goals. The show encourages an understanding and appreciation of music, leading to creative development and gains in multiple other subject areas; and provides practice on fundamental knowledge-based learning and skills, including numbers, the alphabet, colors, vocabulary, sequences, and directions. By incorporating the series' multi-faceted educational goal in the context of fun and laughter, "Doodlebops Rockin' Road Show" furthermore helps to engage kids in new learning, and gives them a chance to hone and develop their burgeoning sense of humor. SPECIFIC EDUCATIONAL OBJECTIVES: To encourage viewers to develop positive personal qualities and pro-social behaviors, including honesty, kindness, initiative, earnestness, compassion, cooperation, helpfulness, sharing and leadership. To aid viewers to comprehend their own feelings and emotions and "read" the emotions of others, leading to gains in emotional intelligence and an understanding of the vital relationship between emotion and response. To assist viewers to generate techniques associated with critical thinking in goal-setting, decision-making and problem-solving, bringing them to an appropriate sense of self-reliance and an understanding of the consequences of their actions. To help viewers to gain meaningful life skills and behaviors, such as following directions, being a member of a team, and making new friends - intended to better equip them to take on a functional role in school and at home To provide viewers with a basic understanding of the elements of music and an appreciation of music itself. This learning is geared to foster creativity and enhance learning in a number of other subject areas, notably including mathematics, language and literature. To teach and provide practice on fundamental knowledge-based learning and skills, including numbers, the alphabet, vocabulary, colors, sequences, and directions. To spark and broaden viewers' burgeoning sense of humor in order to promote intellectual development, enhance resilience, and help them see the fun of new learning.
