**Digital Core  
Programming**

| Question  | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream  | 3.0      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream  | 168.0    |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:  | 3.0      |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

**Digital Core Programs(11)**

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Multicast Channel - Ariel & Zoey & Eli, Too (AZE2), a musical variety show that is driven by three siblings, empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids, introducing guests who perform different genres of music, and presenting musical performances by the cast members themselves. These cast musical performances show children they can write their own music and the importance of teamwork. Music on the show is produced by Emmy Award winner David Barrett. He and Brian Brill (another Emmy winner) ensure that the music is tailored for the young audience. All songs offer a positive message about life. Every episode begins with the song "Sweet Company" which sends the positive message of friendship and ends with the singing of "End of Another Day" which encourages the viewer to stay optimistic about tomorrow. The series broadcasts 4 individual episodes each Saturday. They are regularly scheduled on the second digital program stream Saturdays at 7:00a, 7:30a, 9:00a & 9:30a. There are four 30 minutes in length programs and the E/I objective is specified on air along with the E/I objective and target audience for the program supplied to Program Guide publishers. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This new half-hour weekly series produced for the 13-16 target audience will certainly attract viewers of all ages. Each week our host Emily Calandrelli will take viewers on incredible journeys through space that will both entertain and educate. Ever wonder what it would be like to live in space or on a different planet? Watch our host try to perform every day responsibilities while floating in zero gravity. Explore the challenges that come along with living on a different planet as our host lives like an astronaut in a Mars-like habitat. We will have episodes on space robotics, commercial space tourism, asteroids, and our search for life, among many others. *When appropriate, the host will highlight NASA related programs and internships for young students that are relevant to the content we have shown. Xploration Outer Space is a half-hour weekly E/I series produced with the intention of increasing and expanding our target audience' interest in the field of STEM education. This program is designed to further the educational and informational needs of children and has educating and informing children as a significant purpose. The show is regularly scheduled at 8:30a on Saturdays. It is 30 minutes in length and the E/I objective is specified on air along with the E/I objective and target audience for the program supplied to Program Guide publishers. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Ariel & Zoey & Eli, Too (AZE2), a musical variety show that is driven by three siblings, empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids, introducing guests who perform different genres of music, and presenting musical performances by the cast members themselves. These cast musical performances show children they can write their own music and the importance of teamwork. Music on the show is produced by Emmy Award winner David Barrett. He and Brian Brill (another Emmy winner) ensure that the music is tailored for the young audience. All songs offer a positive message about life. Every episode begins with the song "Sweet Company" which sends the positive message of friendship and ends with the singing of "End of Another Day" which encourages the viewer to stay optimistic about tomorrow. The series broadcasts 4 individual episodes each Saturday. They are regularly scheduled on the second digital program stream from 7:00a to 8:00a and 9:00a to 10:00a on Saturdays. There are four 30 minutes in length programs and the E/I objective is specified on air along with the E/I objective and target audience for the program supplied to Program Guide publishers. |
