| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This animated series has Fat Albert and his friends dealing with the day to day problems confronted by children everywhere. Featuring Bill Cosby, the shows emphasize values and how to work through problem situations. Topics range from dealing with bullies and drugs to the arrival of a new sister or brother; from prejudice to learning to read; from the importance of studying to embarrassment over a fathers job. In addition to speaking through the animated Fat Albert gang, Cosby addresses viewers, guiding them in understanding the dilemmas and solutions dealt with by Fat Albert and his friends. The series includes groups of programs on conflict, prejudice, family issues, safety, responsibility, and school. |

---

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

ChatRoom is a program about issues and concerns that face teens. The program focuses on some of the ethical choices today's teens must make with regard to social issues. Questions are framed by real life stories from the teen cast. Two young women and two young men talk about their own experiences with topics in the program with the adult host.
