Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The educational objectives of Cubix include the reinforcement of ageappropriate interpersonal skills, the development of self-confidence, courage and personal responsibility. Cubix exposes children to these lessons within an entertaining, non-threatening imaginary environment. The Botties and their robots tackle personal and community adversities in creative story lines. Within this framework, children can see age-appropriate problem-solving strategies and learn to model the appropriate behavior. Through the Botties' experiences, viewers learn to overcome self-esteem and social competency issues, demonstrating to children that self-confidence, courage and resilience are necessary tools for problem solving and establishing good interpersonal relationships. Moreover, the characters inspire and promote altruistic behaviors, such as

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Through the use of on-site stand-ups, voice over monologues, environmental b-roll and pop-up 'Travel Tips,' Laura McKenzie's Traveler provides an educational journey to significant destinations around the world. Listed below are several educational components built into the fabric of the program that would qualify it as an effective and engaging teaching aid for use in the home, the classroom, and/or any other educational media venue. GEOGRAPHY: Episodes include graphic maps and/or detailed audio descriptions of where in the world the subject country/city is located. Major land formations and the general terrain are also described and shown in high definition detail. HISTORY: Major historical sites and attractions are always a highlight of the show. Laura is onsite to deliver facts, stories, and little known trivia about all major points of historical interest. SOCIAL ENVIRONMENT: Episodes provide an in-depth look at everyday life around the world - often including personal interviews with native residents of the subject country/city. ACTION AND ADVENTURE: Each episode contains an adventure segment, highlighting how the natural environment provides areas for people to explore, enjoy, and experience any destination. ARTS AND ENTERTAINMENT: Learn about the creative and fine arts of an area through trips to museums, entertainment venues, markets, specialty shops, town centers, etc. The local history of art and entertainment is also explained and explored. TYPE OF GOVERNMENT: Episodes introduce how a country is governed and what sorts of interesting or unusual laws govern the subject destination. INTERVIEWS WITH POLITICAL LEADERS: As a world-renowned travel journalist, Laura McKenzie has the distinct privilege of interviewing major political leaders, including, but not limited to Prince Albert of Monaco and the Prince and Princess Margarita of Romania. TRANSPORTATION: Laura explores the practical use of current modes of transport in each episode. In addition, unusual, historic, and/or native forms of transportation are highlighted from the rickshaws of Beijing to the cable cars of New Orleans, Louisiana. INDIGENOUS FOOD AND DRINK: Episodes detail the foods and drinks native to the area often including cooking demos and tours of specialty food markets. ARCHITECTURE: The architectural design of major structures and homes is shown and described, including the history of the buildings: when they were constructed, by whom, and for what reason. NATIONAL LANGUAGE AND OTHER LANGUAGES SPOKEN: Episodes include information on the native languages to an area. Some personal interviews in the native language are featured with English translation.
