Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Economic downturns. Mortgage meltdowns. Plummeting stock markets. In every newspaper and tv sound bite, we are reminded of the dire financial challenges the world is facing... the world our children will soon be inheriting. Today perhaps as never before, it is critical that our sons and daughters develop sound money management habits, and the skills they need to build a secure future. It has been said that those who do not learn from the past are destined to repeat it. Well, here's a news flash: The Centsables are not about to allow that to happen to your kids!
