Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C. F.R. Section 73.671, NOTES 2 and 3.	<p>THE MORE YOU KNOW WEBSITE: The More You Know's website (www.nbc.com/tmyk) features scripts from the award winning public service announcements, referral information for other organizations referenced in the PSA'S, a general campaign overview, and educational materials produced in connection with NBC programming. The site also includes a list of the campaign's most recent accolades.</p> <p>THURSDAY'S CHILD: This is a segment of our newscast each Thursday. Dia Davidson, one of our dayside anchors takes a different child out each week that is in the social service system in Lexington and up for adoption. She spends the entire day with them, getting to know the child, spending quality one on one time with the child. She then does a news segment featuring the child and asking interested viewers to call the number on the screen to inquire about adoption. Children have received wonderful loving families to be a part of as a result.</p> <p>LEXINGTON HUMANE SOCIETY: Each day on our 1230 pm newscast a representative from the Lexington Humane Society appears at the end on the set with the anchors featuring a different animal. It may be a cat, dog, guinea pig, armadillo, rabbit, etc. These are healthy animals up for adoption. Information relating to the type of animal it is, its nature, what kind of home it needs, etc are given to educate the viewer about specific kinds of animals. Viewers are encouraged to call the humane society's number on the screen to adopt. We have made a lot of little children happy with these opportunities to adopt a homeless animal.</p> <p>BILL'S WEATHER 101: WLEX-TV'S Chief Meteorologist, Bill Meck, routinely visits elementary and middle school students in their classrooms to help them better understand the weather information he provides daily during his on-air segments. Bill's Weather 101 takes the complexities and wonders of weather and makes the fundamentals simple and fun. Students as young as kindergarten are able to grasp concepts easily. After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies as follows: (i) the only programs specifically designed for children ages twelve and under that the station broadcast this quarter are disclosed in this report and (ii) the licensee fully complied with the FCC's commercial limits in children's programs, as specified at 47 C.F.R. Section 73.670, with respect to these programs.</p>
