Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the 22 year old host who opens viewers' eye to how everyday life can inspire culinary creations in Food for Thought. Each weekly half-hour, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13-16 year old viewers by showing her passion for her family, life, and healthy living by sharing stories in the kitchen. Creative inspiration can come from any place at any time - sometime from family, sometimes from friends, or even from bloggers needing her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life. "Food for Thought with Claire Thomas" is broadcast on the stations primary digital channel only.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Jack Hanna's Into the Wild" Shot from a number of photographic perspectives, the viewer is introduced to the biodiversity of the area, how animals are adapted to the environment, and the changes humans have imposed on the environment as well as the positive impact of local conservation efforts in the region. While Jack Hanna introduces the habitat and wildlife, regional guides are given the "expert" status and the viewer becomes engaged in the natural environment with the same enthisiasm as Jack's family. It is also important to note that in addition to the educational content of the program, Jack brings the affective aspect to wildlife education, engaging the emotional appeal of the wild animals and the conservation message to encourage the audience to take an active interest in preserving wildlife. Combining data-oriented scientific information with concern for the conservation status of wildlife and the environment enforces the educational value and impact of the program. "Jack Hanna's into the Wild" is broadcast on the stations secondary digital channel only.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Career Day" is a television program that introduces young adults to career exploration and awareness. Students often do not know what they want to do and are unsure of potential interests thay may have that could be a career. "Career Day" provides and avenue to view experts in their respective fields as they discuss their work, the education/training to prepare for the job, and experiences that led them to choose their career. To encourage students to make informed decisions, young adults must be introduced to career awareness, such as the concept that success in most careers requires education and training. Middle school is an ideal age at which to expose students to the challenging world of work. The program's motivational and inspirational message of each guest empowers audiences of all ages to investigate career opportunities, which have been proven to enhance academic performance, facilitate high school completion and encourage postsecondary education. Each segment of "Career Day" delivers an educational and informational message that supports current social, intellectual and emotional aspects of children 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, dedication, and perseverance children can apply to their lives. "Career Day" is broadcast on the stations secondary digital channel only.

Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Linda Julius
Address	2200 Stephens Avenue
City	Missoula
State	MT
Zip	59801
Telephone Number	406-542-8900
Email Address	ljulius@maxmontana.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Stations Primary Digital Channel - ABC: A Better Community is a joint ABC Network and affiliate campaign dedicated to building a better community through public service initiatives and community outreach with pro-social messages that inform, serve the public interest and inspire a call to action. A Better Community is designed to utilize the broad reach of the ABC Television Network, the positive influence of talent and the power of on- and off-air programming to inspire individuals to make a difference in their communities through volunteerism and public service. "ABC is focusing A Better Community on volunteerism because the idea of giving back to one's community is of high importance to the Network, our talent and our viewers - it's a call to action we are confident will resonate with viewers of all ages and backgrounds," "Volunteering is something that everyone can do, regardless of personal interests or talents - something that is beneficial not only to those who receive the goodwill of others, but also to the volunteers themselves. It can truly be life-changing for everyone, volunteering is not only important, but fun, easy, and rewarding." The centerpiece of the campaign is a series of PSAs that will air on the Network and affiliates throughout all day parts. The spots feature talent from ABC News, ABC Daytime, ABC Primetime and ABC Kids, who deliver pro-volunteering messages along with the call to action, "get involved and help build A Better Community." Each PSA encourages viewers to log onto ABetterCommunity.com where they will find tips on how to get involved, profiles of various national non-profits that offer volunteer opportunities, special features on Network initiatives, behind-the-scenes looks at the campaign and more.

Program Title	Jack Hanna's into the Wild
Origination	Syndicated
Days/Times Program Regularly Scheduled	Wednesdays/7:30-8 AM MT
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Jack Hanna's into the Wild" Shot from a number of photographic perspectives, the viewer is introduced to the biodiversity of the area, how animals are adapted to the environment, and the changes humans have imposed on the environment as well as the positive impact of local conservation efforts in the region. While Jack Hanna introduces the habitat and wildlife, regional guides are given the "expert" status and the viewer becomes engaged in the natural environment with the same enthisiasm as Jack's family. It is also important to note that in addition to the educational content of the program, Jack brings the affective aspect to wildlife education, engaging the emotional appeal of the wild animals and the conservation message to encourage the audience to take an active interest in preserving wildlife. Combining data-oriented scientific information with concern for the conservation status of wildlife and the environment enforces the educational value and impact of the program. To be broadcast on the stations secondary digital channel only.

Program Title	Career Day
Origination	Syndicated
Days/Times Program Regularly Scheduled	Saturdays/8:30-9 AM MT
Total times aired at regularly scheduled time	13
Length of Program	30 mins

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Career Day" is a television program that introduces young adults to career exploration and awareness. Students often do not know what they want to do and are unsure of potential interests thay may have that could be a career. "Career Day" provides and avenue to view experts in their respective fields as they discuss their work, the education/training to prepare for the job, and experiences that led them to choose their career. To encourage students to make informed decisions, young adults must be introduced to career awareness, such as the concept that success in most careers requires education and training. Middle school is an ideal age at which to expose students to the challenging world of work. The program's motivational and inspirational message of each guest empowers audiences of all ages to investigate career opportunities, which have been proven to enhance academic performance, facilitate high school completion and encourage postsecondary education. Each segment of "Career Day" delivers an educational and informational message that supports current social, intellectual and emotional aspects of children 13 and up. Attributes and advice emphasized by guests instill a grounded balance of priorities, dedication, and perseverance children can apply to their lives. To be broadcast on the stations secondary digital channel only.
