Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Heroes Among Us is an in depth documentary style show that offers entertaining safe educational and informational programming appropriate for general audience of all ages including children under the age of 16. Heroes Among Us provides examples of how to become a more concerned citizen. Children are being inspired as they see the value in giving back helping neighbors in need and aiding in emergency situations. Several other educational components are built into the fabric of the program that would qualify it as an effective aid for teaching children. Educational topics include the importance of charity civic participation community building and social responsibility. Heroes Among Us also provides examples of how young students are impacting the world around them through volunteer opportunities. The show also profiles celebrities who have committed their time talent and treasures to helping out their local communities. In addition child hero stories such as 911 Green and Zach Smothers reinforce the lesson that kids can help save lives if properly instructed. Overall Heroes Among Us exceeds the expectations to educate children between the ages of 13 and 16 by respectfully sharing relevant practical and diverse lessons in being a better person.
