Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	[32.3 - This TV] Zoo Clues is engaging and visually rich in its portrayal of animal characteristics and wide range of animal behaviors. Both older and younger audiences will appreciate this look across the amazing world of fascinating animals. Zoo Clues leaves viewers with a meaningful perspective about animals and evocative comparisons to their own human characteristics. The variety within the animal kingdom is truly odd and bizarre enough to read like fiction, but the clever narration of Zoo Clues links disparate information together to reveal that what viewers see here is real, natural, and relates to their own life in the real world. The pull of the Mystery Animal visual quizzes and the fun of Animal Oddities make the show more interactive and is certain to lead to interesting discussion in the family and in the classroom.

[32.1] "Animal Atlas" introduces young viewers to every kind of animal imaginable, from the familiar to the astounding, from the Americas, Africa, Asia, Australia, and other areas in between. The show promotes a better understanding as to how various animal species live, and what they need to survive. The show also looks at how family units operate (i.e., a pride of lions, school of fish). Some episodes explore animal diet, locomotion, adaptation, and how animals care for their young. Animal Atlas also informs about endangered species, and teaches how to support wildlife conservation. For a population of young viewers attuned to the importance of going green, Animal Atlas is not only entertaining--it is culturally relevant and important.

Days/Times Program Regularly Scheduled	Sunday, 8a & 8:30a, 4/5-6/28/15

Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	[32.3 - This TV] Zoo Clues is engaging and visually rich in its portrayal of animal characteristics and wide range of animal behaviors. Both older and younger audiences will appreciate this look across the amazing world of fascinating animals. Zoo Clues leaves viewers with a meaningful perspective about animals and evocative comparisons to their own human characteristics. The variety within the animal kingdom is truly odd and bizarre enough to read like fiction, but the clever narration of Zoo Clues links disparate information together to reveal that what viewers see here is real, natural, and relates to their own life in the real world. The pull of the Mystery Animal visual quizzes and the fun of Animal Oddities make the show more interactive and is certain to lead to interesting discussion in the family and in the classroom.
